## ***Free Trade Warehousing Zone (FTWZ), Mannur, Chennai***

### ***Objectives to set up the FTWZ are:***

- ✓ ***To offer specially designated areas as deemed foreign territories to facilitate movement of goods with duty deferment.***
- ✓ ***To Improve Logistics Infrastructure.***
- ✓ ***To Promote International Trading.***
- ✓ ***To Improve Cash Flow for Customers and Delivery Time.***
- ✓ ***Customs Declaration and Management***
- ✓ ***Transportation: Road, Rail and Air (primary and secondary)***
- ✓ ***Warehouse Management System***
- ✓ ***Purchase Order Management***
- ✓ ***Package Management***
- ✓ ***Temperature Controlled Chambers***
- ✓ ***Quality Control***
- ✓ ***Reverse Logistics, including Repairs and Refurbishing***
- ✓ ***Re-invoicing***
- ✓ ***Assembly of CKD and SKD kits***
- ✓ ***Pick & Pack, Kitting***
- ✓ ***Bar-coding***
- ✓ ***Labeling & Re-labeling***
- ✓ ***Cutting, Blending & Polishing***

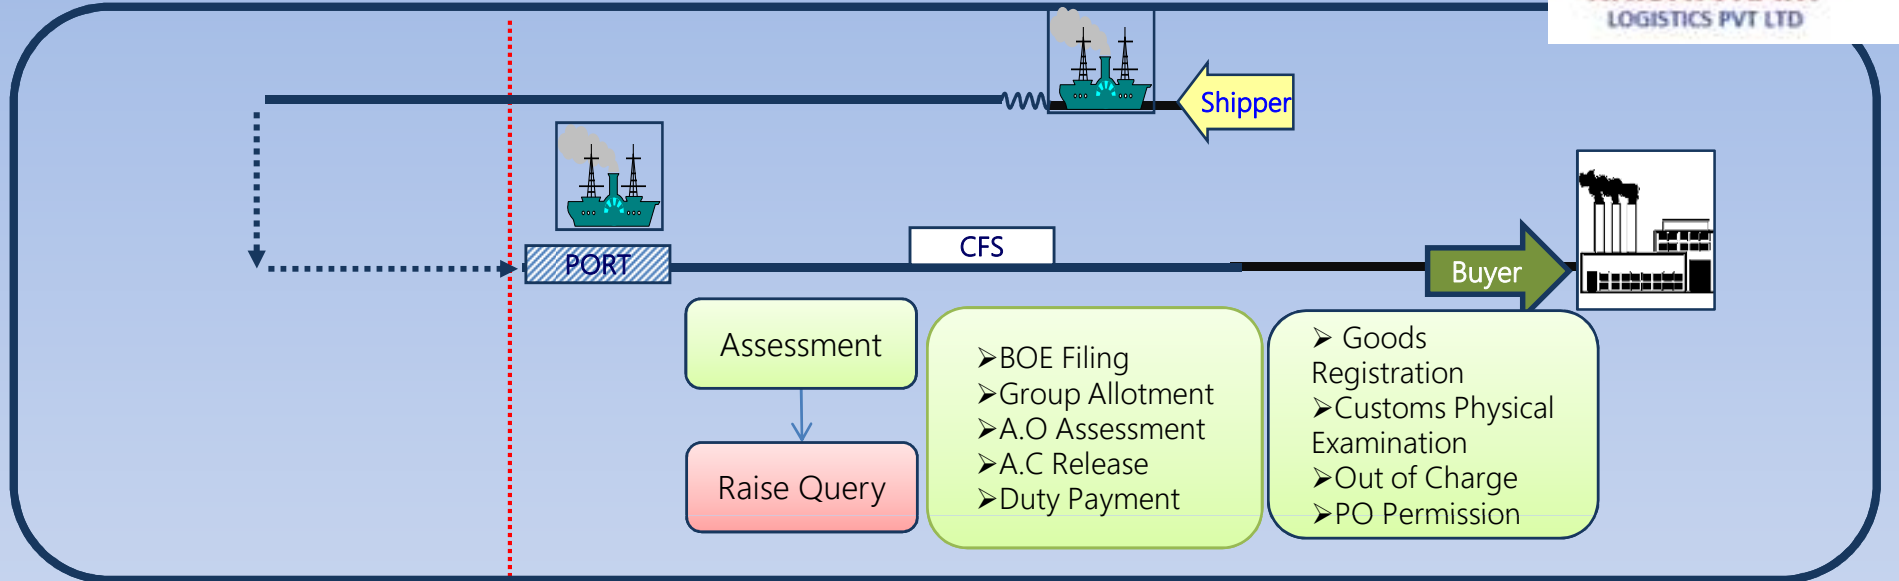

# Features of the Free Trade Warehousing Zone

- *Deemed Foreign Territory – Movement of goods via deemed foreign territory (FTWZ) ensures hassle-free customs clearance for all imports and exports.*
- *Tax Exemptions – Goods in the FTWZ have the same tax concessions as for Bonded, EOU & SEZ goods. Movement of goods from FTWZ into DTA is considered import, and all Exemption/Concessions are available at par with normal import.*
- *Exporting Convenience – Simplified Export Procedures as physical export transactions get completed once goods are moved into FTWZ. Exporter can Claim Export Concessions as soon as goods have moved into FTWZ, even if the goods have not physically moved out of the country.*
- *Bulk/Sensitive Commodities – Availability of Open/Demarcated Area for convenient storage of bulk and sensitive commodities. Single Window Clearance for goods otherwise requiring Regulatory Approvals.*
- *World Class Amenities – Warehousing standards Adhered to all Industry Verticals combined with State of the art Material Handling Equipment.*
- *Vendor Managed Inventory – Demand and Supply Gaps are adjusted through vendor management inventories. Availability of Stock as per Demand for the buyer and faster Response time during product launch.*
- *Just In Time – Strategic Inventory Management to save time and costs. Edge over competitors by way of increased service quality.*
- *Consolidation Hub – Commodities imported can be Consolidated and Stocked Duty-free until required. Goods from different locations can be consolidated for exporting thereby Reducing Logistics Cost and Time-consumption in processing individual export entries.*
- *Duty Deferment & Allied Acts – Defer Duty Payment and Compliance to Allied Acts whilst goods are still in FTWZ. Greatly improves users cash flow.*

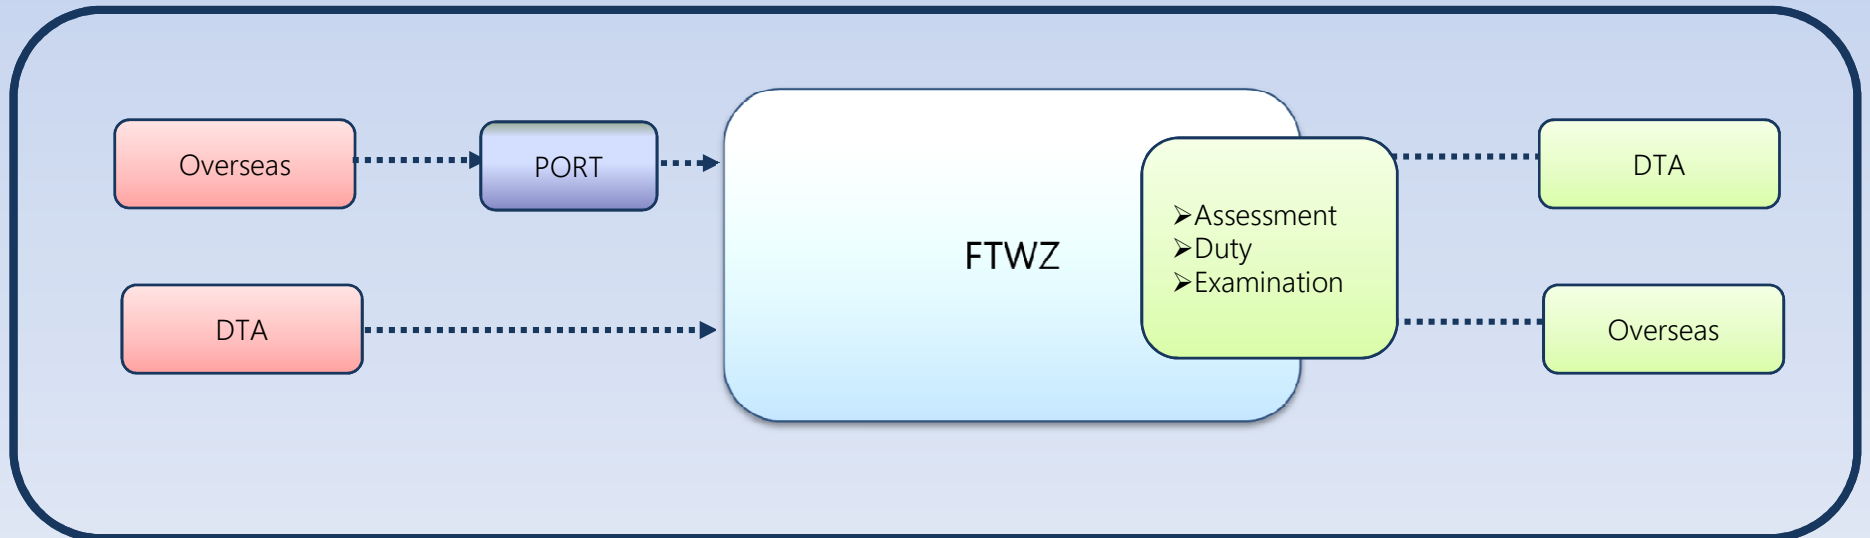

# Process Comparison

## General Customs Clearance

## FTWZ Process

## FTWZ –WARE HOUSE PROCESS

			
<p>Vehicle Reporting to Security</p>	<p>Security should check Seal No, Container No &amp; Report to Inbound In charge</p>	<p>Along with AO Permission material will DE stuffing from container</p>	<p>Material will be move to Inspection</p>
			
<p>Sales Order created in WMS and handover to Pick Packer</p>	<p>Material moved to dedicated area</p>	<p>Material Inspection have done (check Physical vs invoice qty matching)</p>	<p>Material picked from system suggest location</p>
			
<p>Pre dispatched inspection have done</p>	<p>Material stuffing to vehicle along with security</p>	<p>Vehicle reporting to security, security mention the details in outbound log book</p>	

## *Benefits of the Free Trade Warehouse Zone (FTWZ) over Bonded Warehouses*

	<b>FTWZ</b>	<b>Bonded Warehouse</b>
<b>Port Status</b>	SEZ Act Sec 53(2). FTWZ is a <b>Deemed Port</b>	<b>No Deemed Port status.</b>
<b>NFE</b>	FTWZ Units are required to be NFE positive under SEZ Rule 53	<b>No NFE requirement by Bonded Warehouses.</b>
<b>Assessment of Duty</b>	Since the FTWZ is a Deemed Port the <b>Goods are NOT assessed for Duty</b> . A Bill of Entry for home consumption is filed with FTWZ Unit for transfer of goods from Airport/ Port to FTWZ.	Bill of Entry for Warehousing is filed and assessed to Duty before being permitted to move to the Bonded WH
<b>Multi Country Consolidation</b>	Consolidation of goods from Multi Country <b>Permitted</b> as per customer's requirement.	<b>Consolidation of goods not Permitted</b>
<b>Duty Deferment Bond</b>	<b>No requirement</b> for a double duty bond	<b>Additional double duty bond required</b>
<b>Movement from Customs Gateway</b>	Goods are transported from customs gateway to Minerva's FTWZ via trans-shipment procedure <b>without assessment by customs</b> in turn <b>decreasing Customs process lead time</b>	<b>Movement of goods into the bonded warehouse are subject to assessment at Gateway Customs</b>
<b>Value Added Services (VAS)</b>	<b>Can carry out Value Added Services</b> as provided for in SEZ Rule 18 (5)	<b>Value Added Services are permitted subject to Customs permission in advance of any such activity.</b>
<b>Holding Goods on Account of Foreign Supplier / Buyer</b>	<b>Permitted</b> under SEZ Rule 18 (5)	<b>Not permitted</b>
<b>Restricted Goods Imports</b>	<b>Permissible to enter</b> the FTWZ.	<b>Goods can enter Bonded Warehouse pending Production of import license</b>
<b>Prohibited Goods Imports</b>	<b>Permissible to enter</b> the FTWZ with the Approval of the BOA	<b>Not Permissible</b>

Period of Storage	SEZ Rule 37 permits the goods to be kept <b>until the Validity of the Unit Holder</b> . The goods in the FTWZ are not assessed for Duty.	One Year, further extension allowed subject to approval from Chief Commissioner of Customs
Interest on Duty	Interest on Duty <b>not applicable</b>	Beyond 90 Day, interest is levied.
Exemption from SAD	<b>Exemption of 4% SAD</b> against CST or VAT applicable	SAD benefit applicable as per Customs notifications for Pre-packed goods only.
Customs Set Up	<b>Dedicated customs setup</b> available within the FTWZ <b>24x7x365</b>	Dedicated customs setup could be done subject to approval from Customs office
Customs procedure for Removal of Goods	<b>Hassle-Free procedure for Removal of goods</b> from FTWZ to DTA. Customs processing done <b>within the FTWZ zone</b> .	All customs processing with the customs house located away from the bonded facility
Compliance of Allied Acts	Payment of duty and compliance to allied acts <b>only when the goods move out of FTWZ into DTA</b>	Payment of duty at the time of removal of goods along with applicable interest & upon production of applicable import license
Easy of EXIM Trade	<b>Hassle-Free Procedure for re-exports and re-import</b> unlike standard customs procedure.	Re-imports and re-exports go through standard customs approval procedures
Regional Trade Hubs	Possibility of using this facility as a <b>regional hub</b> . Permits operations of VMI model with Foreign Currency models	Cannot be used as a regional hub since, no facilities are available for export of goods and only INR transactions are permitted within a bonded warehouse.
Foreign Exchange	All Payments in <b>Free Foreign Exchange</b>	All payments in INR only.]
